

Delta Dental Mobile

Helping subscribers manage their oral health

Oral health is important to Delta Dental — and to overall health! We've designed our mobile app to make it easy for your employees to make the most of their dental benefits. Subscribers have access to dentist search, claims and coverage, ID cards and more, right on their mobile device.

Getting Started

Delta Dental's mobile app is optimized for iOS (Apple) and Android devices. To download our app on your device, visit the App Store (Apple) or Google Play (Android) and search for Delta Dental. Or, scan the QR code at right. You will need an internet connection in order to download and use most features of our free app.

Delta Dental Mobile Features

- Mobile ID card — no more looking for ID cards!
- Claims and coverage information on the go, putting benefits information right at subscribers' fingertips.
- A dentist search tool that helps subscribers quickly select an in-network provider nearby, and even book an appointment with participating dentists!
- Our easy-to-use risk assessment tool helps subscribers understand their risk for tooth decay, gum disease, and oral cancer.
- Our toothbrush timer motivates users to brush for the recommended two minutes.
